

## About the Club

The Boys and Girls Club of Greater Lynchburg opened its doors on December 9, 2005, and since then we have welcomed more than 12,000 Lynchburg youth. The Club offers its members five core program areas that they participate in: **Education & Career Development, Character and Leadership Skills, Health and Life Skills, Art, and Sports and Fitness.** Today more than 210 boys and girls from ages 6 to 18 participate in these programs and activities provided by the Boys & Girls Club of Greater Lynchburg. In 2009 the Club also was proud to announce the implementation of its very own Teen Outreach Program.

In just under 5 years, the Boys & Girls Club has collaborated with nearly 50 other local non-profit and governmental organizations in order to give our members unique program experiences and a greater connection to their community.

The life changing work that is being done at the Boys & Girls Club would not be possible without the support from generous individuals, companies, and local foundations here in the Lynchburg community. Every contribution made to the Club goes directly to help keep the doors open and allows the children it serves to become assets to the Lynchburg community by becoming caring responsible citizens.
